**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION
PAPERS**

Sir:

The Notice to File Corrected Application Papers, mailed on July 26, 2002, a copy of which is enclosed herewith, requires that a substitute specification in compliance with 37 CFR 1.52 be submitted by September 26, 2002, which is two months from the mailing date of the Notice to File Corrected Application Papers. The substitute specification was required because line spacing on the specification, claims, or abstract is not 1-1/2 or double spaced.

As requested by the Notice to File Corrected Application Papers, a double-spaced, complete copy of the specification, abstract, and claims as presently on file is enclosed herewith. Please note that no new matter has been added. Further, no changes have been made to the content or language of the specification or claims. Only the line spacing and overall formatting has been corrected as required. Entry and substitution of the enclosed corrected application papers for the corresponding application papers presently on file is hereby respectfully requested.

If mailed, I, the person signing this certification below, hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an
